one year &c up to the 2d May 1915, on the ground that the work of framing necessary bye-laws has not been completed and that it is desirable to secure the assistance of the present Mb. Councillors for the purpose

2. Section 17 of the Municipal Regn admits of the original term of office being extended by one year in the discretion of the Govt. For a reconstitution of the Municipal Council, a general election will have to be held in accordance with the Municipal Election Rules One of the requirements of those Rules is that the lists of voters shall be published on the 15th April of every year or ~~prior~~ to two months prior to a date fixed by Govt. If a list has been so published by the Closed Municipal Council a general election can easily be held, all that is necessary being for the Dy. Comr to fix a date for such an election at once under Rule 11 & have the elections conducted. If on the other hand no such list has been published, as is very probably the case, two alternative courses are open to Govt viz (1) either to extend the
